Main Menu Prev Menu Next Prev Exit

JT Automation, Inc.

The image shows a screenshot of an interactive design interface. At the top left, the word "Robotics" is displayed in white on a dark blue background. At the top right, the word "Insertion" is displayed in white on a dark grey background. The central part of the interface is a large video frame with a red border, showing a white Denso robotic arm in a factory environment. The arm is positioned in the center-right of the frame, with its base on a blue stand. The background of the video shows various industrial equipment and a white wall. In the bottom right corner of the video frame, the text "2 of 22" is visible. Below the video frame is a dark grey navigation bar containing five buttons: "Main Menu", "Prev Menu", "Next", "Prev", and "Exit". Each button has a red border and white text. To the right of these buttons, the text "JT Automation, Inc." is displayed in white.
